A sustainability training organization that works with governments, businesses and centres of learning to effect resource-efficient mindset and behavioural change.

Government

We work with governments at every level of decision making to enhance capacity including through systems analysis from a lifecycle perspective.

**Policy
guidance**

**Awareness
building**

**Lifecycle
perspectives
on key issues**

Business

We work with businesses to help them proactively avoid regulatory headwinds, find innovative ways to reduce costs, improve brand capital and build a pipeline of green leadership.

**Drive
compliance**

**Reduce
costs**

**Improve
brand capital**

**Build a
pipeline of
green leaders**

Education

We work with schools and colleges to encourage systems thinking; demystify complex sustainability issues and build eco awareness in teachers and students.

Teacher &
student
awareness

Easy-to-
understand
introductions
to complex
issues

Encouraging
future green
leaders

How We Help

- ◆ iSambhav offers training across key issues such as water, waste and energy sustainability, CSR effectiveness, and mainstreaming of people with disabilities.
- ◆ Services include industry-agnostic pre-packaged modules; and customized consulting for the tourism and allied services industry.

Our Modules

- ◆ Greening of the supply chain (GSC)
- ◆ Eco design programme (EDP)
- ◆ Water management
- ◆ Energy management
- ◆ Understanding CSR (Companies Bill, 2013)
- ◆ How to employ people with disabilities (PWD)
- ◆ Universal design (UD) and assistive technology (AT)
- ◆ Sustainable development (SD) for senior management
- ◆ Green buildings primer

Who We've Worked With

- ◆ ITC Hotels
- ◆ Confederation of Indian Industry (CII)
- ◆ Indian Green Building Council | Bureau of energy efficiency
- ◆ International Management Institute (IMI), Delhi
- ◆ IIM, Bangalore | St Marks, Delhi
- ◆ IIT, Delhi | MDI, Gurgaon
- ◆ United Nations Development Programme (UNDP)
- ◆ Indian Railways | Ministry of Water | Ministry of Tourism
- ◆ Karnataka Pollution Control Board

Niranjan Khatri

iSambhav founder and principal consultant Niranjan Khatri is ex-General Manager, Environment Initiatives at ITC Hotels. He pioneered eco design in India in the eighties—a time when the term “eco design” perhaps didn’t exist yet.

iSambhav

If you're looking for training, insights and links to partners that can help you build frugally engineered and social engineering solutions, you've come to the right place.
